**Camp Philosophy** The Greater Experience Soccer Academy Junior Strikers Summer Camp provides a unique experience for the youngest soccer players, carefully designed to encourage awareness of the game in a pure-fun atmosphere. The physical skills necessary to begin playing soccer are introduced through a variety of soccer-specific agility, balance, and coordination games that are time-tested to be successful. The Academy Day Camp is designed for the next level of soccer for those old enough to benefit from an entire day.

The staff for the camp have years of experience working with these age groups in a variety of school, after-school, and camp programs. Enrollment is open to girls and boys, from age 3 to 14. Campers are grouped together by age and skill level, separate from older age groups.
